Subject: Selection of SSUET for participation in HEC's HEDR-Piloting Phase Project

It gives me great pleasure to inform your good self that SSUET has been selected by HEC to be part of its **Higher Education Data Repository - Piloting Phase Project**. Out of around 200 universities in Pakistan, 13 universities are selected for piloting the project. The project is sponsored by the World Bank. The selection of universities is made by HEC on the excellent response of SSUET during the Online Readiness Assessment exercise carried out by HEC last year. Letter of appreciation, dated 13th January 2021 from HEC's Advisor (Coordination), is attached herewith for kind information of your good self.

The performance of SSUET is a result of your able guidance and team work of the entire SSUET employees. Our team is working hard to maintain the quality of work and to meet the requirements of HEC.
